Topping the list is [Ballroom Bliss](#), which helps couples make the first dance at their wedding a memorable experience. Instructors can get beginners to be simply competent or they can prepare more confident dancers to perform a fully choreographed routine. For couples already married or just interested in dance, there are also classes in styles like waltz, rumba and swing.

Located at 1015 S. Dorrance St. in Graduate Hospital, it is the highest-rated dance studio in Philadelphia, boasting five stars out of 32 reviews on Yelp.

Private lessons, bachelorette parties and other private events are also held at this studio. With 4.5 stars out of 56 reviews on Yelp, it has proven to be a local favorite.

You can prepare for your marital first dance here, too, and there are classes for seniors and the LGBTQ community.
